

4 Simple Panel Finishes

PAT6051

Now's your chance to turn any quilt panel into a showstopper with help from the Missouri Star Basics series! Just like following a delicious recipe, this easy-to-follow pattern gives you all the ingredients you need to transform a pre-printed panel into a beautiful finished quilt.

Perhaps you've got a festive holiday panel, a sweet nursery scene, or a scenic landscape print waiting in your stash. Well, this pattern is the perfect way to make it shine. We've got four fun "recipes" for finishing panels to take things to the next level:

- **Panel Only:** If your panel already has its own built-in border, you're in luck—just quilt, bind, and you're done!
- **Simple Border:** Clean and classic—just add your favorite fabric to frame your panel beautifully.
- **Border with Cornerstones:** Add a bit of charm and dimension by using coordinating corner blocks for a more dynamic look.
- **Pieced Border:** Want to go all out? Frame your panel with quilt blocks to create a one-of-a-kind masterpiece.

This pattern gives you the tools to mix and match your style, fabric, and panel of choice. Let your creativity run wild—every quilt you make can be uniquely yours. So grab your panel and get cookin'—we can't wait to see what you whip up!
