To make one Red Valentine Heart:

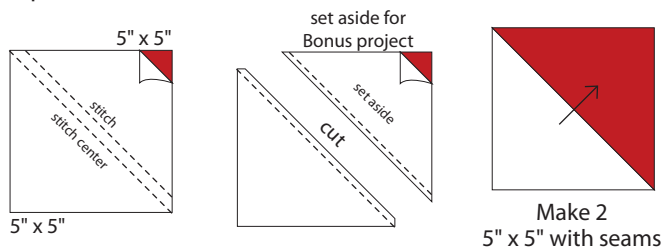

- 1 Select 1-10" red Layer Cake™ square and 3-5" white Charm squares.
 - Cut the Layer Cake™ square in half twice to make 4 matching 5" squares.

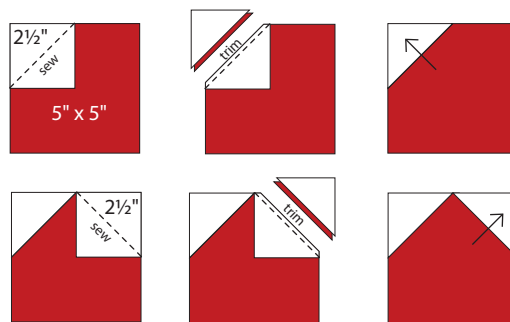

- Cut one Charm™ square in half twice to make 4 matching 2 1/2" squares. Press the 4-2 1/2" and 2-5" Charm squares in half on the diagonal (or draw a line on the diagonal).

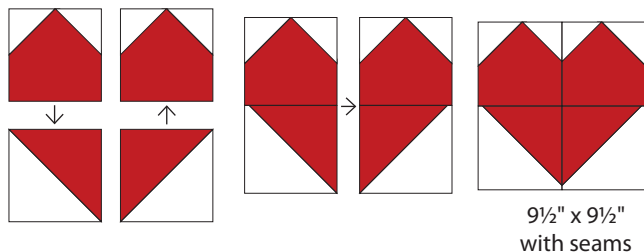

- 2 Bottom of the Heart: Sew one 5" white square on the diagonal line to one 5" x 5" red square. *We hate waste so we are going to sew another line of stitching 1/4" away from the center stitching.* Cut between the 2 lines on stitching. Set aside the smaller piece to use in a Bonus project. Press open. Make 2.

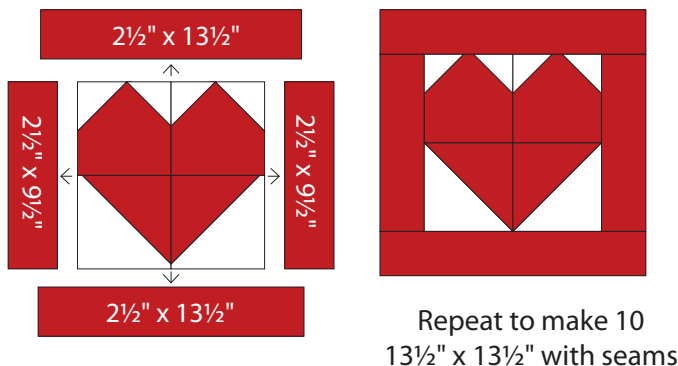

- 3 Top of the Heart: Sew one 2 1/2" white square on the diagonal line to one 5" x 5" red square. Trim 1/4" from the sewn line. Press to the corner to form a triangle. Sew another 2 1/2" white square to the same red square, trim and press to form a triangle. Make 2.

- 4** Sew one Heart top and one Heart bottom together. Repeat with the other side. Combine the sides of the Heart.

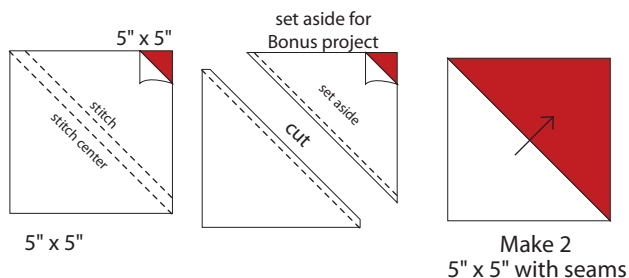

- 5** Sew 2-2 1/2" x 9 1/2" red sashing strips to the sides of the Heart. Sew 2-2 1/2" x 13 1/2" red sashing strips to the top and bottom of the Heart. Always press way from the center of the block.

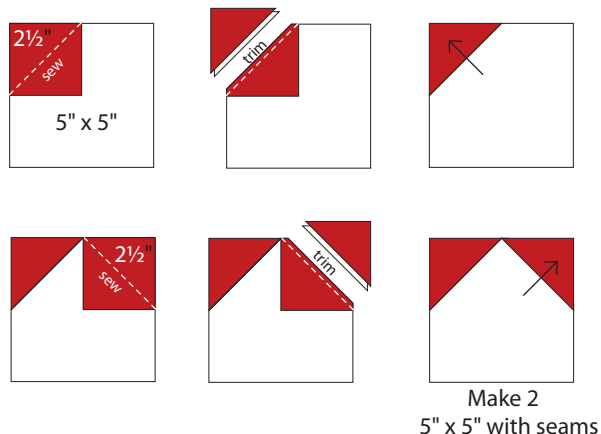

To make one White Valentine Heart:

Assemble the quilt top: Sew the Red and White Heart blocks into 5 rows of 4 blocks. (Note the placement of the different blocks.) Combine the rows. Add the 2-4½" x 65½" side borders. Press away from the quilt center. Add the 2-4½" x 60½" top and bottom borders. Layer, quilt and bind.
